Strive to Achieve

Dear Parent/Carer,

Home Learning – Year 1K **Mrs Kendall's class**

As Mrs Kendall class has had to close, it is essential that you support your child with home learning activities.

Unlike last time, we will be using a home learning platform called Seesaw, which many of our children have been using for their homework. We will be using this platform as a way to communicate with the children and set them daily learning activities. The children have been using this app for their homework.

If you haven't already done so, you will need to download the Seesaw app on any device or alternatively you can open it in your Internet browser via the link:

<https://app.seesaw.me/#/login>

How will it all work?

- We will be using Seesaw as our learning platform to set activities for the children.
- Mrs Kendall will set daily curriculum activities as detailed in the timetable below.
- These will be made available at 5pm each weekday (in preparation for the next day) and will be found via your child's Seesaw account within the activities tab.
- The children will complete these activities during the following day. This may involve: reading/listening to a set of instructions; completing a task via Seesaw or completing an activity in their Home Learning books and uploading a photograph to Seesaw.
- We will 'like' all pieces of work returned by the children to acknowledge that they have been received and reviewed, and comments and feedback may be given.
- Seesaw will be used as a way for us to set activities and the children to respond to them. Please be mindful that it is not to be used as a method

of communication from parents to class teachers. If you need further support please contact myself on head@halsnead.co.uk or call the office

Expectations

- We expect all children to log in by 9am and leave a good morning message. If we do not receive this message a member of our office team will be in touch.
- We expect that all children will access and complete all the set activities.
- We expect that activities done in the Homework books are completed to a high standard of presentation and handwriting is to the same standard that the children would use in their books at school.

Daily Activities

Tuesday	Wednesday	Thursday	Friday
Maths activity	Maths activity	Maths activity	Maths activity
Writing activity	Writing activity	Writing activity	Writing activity
RWI activity	RWI activity	RWI activity	RWI activity
Science activity	PSHE activity	PE	Speaking and Listening

On-going Activities

These are additional activities that your child can access to supplement their consolidation of learning.

- TT Rockstars or Numbots
- Continue to read for pleasure using your own books at home

Thank you for your continued support. If you require any further support in getting your child set up on Seesaw, please do get in touch.

Kind Regards,

Miss Taylor
Headteacher
