Welcome

Today we held a whole school online assembly for the very first time! Although it was different to usual it was fantastic that we were able to do this; sharing thoughts, discussing our values and celebrating efforts across the school with other bubbles. At the end of the assembly, every class presented certificates to two children who have consistently displayed our school values throughout the week. The children's names will now be displayed on our 'Value Stars' display board and shared in the newsletter. This celebration will continue every week.

Drop offs and pick-ups are now running much smoother. Please ensure that you arrive promptly at the end time of your child's/children's bubble and leave as soon as you have collected them. This is so we can reduce numbers at the school gates.

We would love you to ask your child/children to tell you about our value characters this weekend and explain which is their favourite. Have a great weekend!
