Welcome

As the academic year draws to a close we reflect on our achievements and events for 19-20. What a year it has been! This year has been challenging for all of us, a year in which we did not plan for a global pandemic. However, the many challenges we have faced have united us as a school community and I am extremely proud of how we have all come together to support each other in every way possible.

I would like to give my heartfelt thanks to all our parents and carers who have worked hard to help our pupils with home learning and well being. The health and happiness of our children is really important to us and it has been lovely to hear all about the great learning and fun projects you have all been up to.

I would also like to show my sincere appreciation for the Halsnead staff who have worked incredibly hard and have gone above and beyond to help the school community. They have acted selflessly and smiled throughout.

We are really looking forward to seeing you back on **September 3rd**. We hope you all have a wonderful summer break.
