Welcome

It's lovely to see a sunny change in the weather. Due to this, please provide your child with a bottle of water and a sunhat with their name on each day. Please apply suncream to your child prior to them coming into school and/or supply them with it. Please ensure it is clearly labelled with your child's name and that they can apply it themselves.

This week the children all enjoyed a fantastic virtual theatre performance of 'The Lorax' by Dr Suess. We look forward to, when guidance allows, the return of off-site educational visits.

Strive to Achieve

SUMMER

Due to the gradual change in the weather, please apply suncream to your child in the morning before they come to school. Alternatively, please provide your child with a suncream clearly labelled with their name that they can apply themselves. It is also recommended that children bring a sunhat into school with their name clearly labelled.

Water Bottles

Please ensure that your child brings a water bottle into school everyday, clearly labelled with their name. It must be filled with water, rather than juice and preferably have a sports cap.

It may have been on the screen, and not a real-life outing, but all the children and staff loved it and was sign of good things to come in the near future!

"I loved it, it was like we were there!"
