## Welcome

Our children's attitude to learning at home has been incredible - I am so impressed! Thank you all for your valuable support in delivering the online learning we are providing. We love hearing and seeing how the children have applied their learning and what you are doing to remain calm, creative and active during this unprecedented time. We are continuing to consider what extra support we can offer while we are away from school. Therefore, please keep checking the school website, Twitter feed and ParentApp for updates on further opportunities to support learning at home. Take care and stay safe.
