Dear Parent or Carer,

I write to you following the Prime Minister's address to the nation about our country's next steps in the approach to Coronavirus.

In his statement he said that as part of Step Two, which would happen at the earliest after half term primary pupils may return in stages starting with Reception, Year One and Year 6 pupils.

Over the coming days, I will be waiting for clear guidance from the Department for Education as to how we can implement this in a safe manner. Once we have received this, I will liaise with staff, governors, other Headteachers and the Local Authority to put together a plan making it clear how Halsnead Primary School will start our phased return. This may take a few days, please be patient as we work towards a solution for staff, children and their families to return to school safely.

If you have any questions, or would like to speak to us, please get in touch.

Best wishes,

Yours sincerely
