Strive to Achieve

16th March 2020

Dear Parent or Carer,

Since advice from Government started to emerge we have planned our responses at school level to ensure we are playing our part in the contain phase. One of these actions includes ensuring all our parents/carers are continually informed. In order to ensure the continuity of communication between school and home it is important for you to download the school Parentapp. You should have received an invite recently via email or text (please check junk/spam mail too).

Please note the app will be our main form of communication. Please ensure you check it regularly and ensure your notifications are switched on, to avoid missing important information or dates. The app is fully secure and GDPR compliant and in order to access it you will need to be invited via email.

If you have any queries or questions, please get in touch.

Thank you for your continued support.

Yours sincerely
