*Strive to Achieve*

8<sup>th</sup> October 2019

Dear Parent or Carer

We are pleased to inform you that since we upgraded our school communication app and the launch of the brand-new **Parentapps** it has greatly improved the way we communicate with our parents.

The **Parentapps Connect System** will provide you with instant access to our calendar, event information, photo galleries and class pages. It will also link directly to our website, which will have all the information you require.

Additionally, it also enables us to invite multiple family members to download the app, ensuring that you can access any important information regarding your child. We will use this to send child specific information via direct and group messages, so you aren't bombarded with messages for all year groups!

Please note the app will be our main form of communication. Please ensure you check it regularly and ensure your notifications are switched on, to avoid missing important information or dates.

**With effect from Friday 11<sup>th</sup> October 2019 School will no longer send messages via Parentmail**

Lastly, the app is fully secure and GDPR compliant and in order to access it you will need to be invited via email.

**Please look out for an email or text invitation from Parentapps with further instructions on downloading and accessing the app. If you have any queries or questions, please get in touch.**

Thank you for your continued support.

Yours sincerely,

A handwritten signature in black ink, appearing to read 'H. Taylor', written in a cursive style.

H. Taylor  
Headteacher
