*Strive to Achieve*

2nd November 2020

Dear Parent or Carer,

From Easter of next year all primary schools will be required to teach Relationships Education. Schools will be required to have a policy, published on their website, setting out how they intend to approach the subject. We are therefore consulting with parents and carers on our proposals for this to gather your views, enabling us to consider them carefully before coming to a decision on the final content.

The primary schools in the Heath Family (NW) Trust have worked closely together on this and after a great deal of research, collectively feel that we want to adopt the Jigsaw model for the curriculum in this area. Jigsaw is a tried and trusted model that is already in use in some of our schools and is used in thousands of other schools across the country.

We have sent a leaflet containing more information about Jigsaw via parent app and posted it on our website under RSHE information.

The draft policy has also been sent out via parent app and is available on our website. This sets out how we would like to implement this in our school and also clarifies which elements parents have the right to withdraw their child from.

I do hope you will take time to look at this important area of our curriculum and let us know your views by the 20th November 2020.

Kind Regards,

Miss Taylor
