Strive to Achieve

Dear Parent/Carer,

Home Learning – Reception

As our reception classes have had to close, it is essential that you support your child with home learning activities.

We will be using a home learning platform called Tapestry, which many of our children have been using for their homework. We will be using this platform as a way to communicate with the children and set them daily learning activities.

If you haven't already done so, you will need to download the Tapestry app on any device or alternatively you can open it in your Internet browser.

How will it all work?

- We will be using Tapestry as our learning platform to set activities for the children.
- Our reception team will set daily curriculum activities as detailed in the timetable below.
- These will be made available at 5pm each weekday (in preparation for the next day) and will be found via your child's Tapestry account.
- The children will complete these activities during the following day. This may involve: reading/listening to a set of instructions; completing a task via Tapestry or completing an activity on paper and uploading a photograph to Tapestry.
- We will 'like' all pieces of work returned by the children to acknowledge that they have been received and reviewed, and comments and feedback may be given.
- Tapestry will be used as a way for us to set activities and the children to respond to them. Please be mindful that it is not to be used as a method of communication from parents to class teachers. If you need further support please contact myself on head@halsnead.co.uk or call the office.

Expectations

- We expect all children to log in by 9am and leave a good morning message. If we do not receive this message a member of our office team will be in touch.
- We expect that all children will access and complete all the set activities.

Daily Activities

This week

Friday
Maths activity
Writing activity
RWI activity
Christmas Card Making

Next week

Monday	Tuesday	Wednesday	Thursday	Friday
Maths activity	Maths activity	Maths activity	Maths activity	Maths activity
Writing activity	Writing activity	Writing activity	Writing activity	Writing activity
Phonics activity	RWI activity	RWI activity	RWI activity	RWI activity
Challenge activity	Challenge activity	Pantomime	Christmas Activity	Challenge activity

On-going Activities

These are additional activities that your child can access to supplement their consolidation of learning.

- Continue to read for pleasure using your own books at home.

Thank you for your continued support. If you require any further support in getting your child set up on Tapestry, please do get in touch.

Kind Regards,

Miss Taylor
Headteacher
