Strive to Achieve

Dear Parent or Carer,

We hope that you are well.

As you know, the school's hope is to change the name of our school to Pennywood Primary.

The rationale for this change is that we are a school on a very positive journey, but more needs to be done. We are going through a period of resetting our expectations and building our plans for the future, and we believe that this change will support our ambitions for our staff and children.

That being said, we are also a school that is proud of our role in the community. That is why we want to listen to views before deciding if and how we should continue on this process.

We have, therefore, created a survey to further understand your thoughts and comments. Every response will be read, reviewed and considered.

To complete the survey, please [click here](#) or visit <https://kwiksurveys.com/s/egpanPqC#/0>

We would also ask and encourage you to share this survey wider. We want to listen to as many people as possible.

We would appreciate all responses by the end of term

Warm regards,

Halsnead Primary School
