Strive to Achieve

3rd April 2020

Dear Parents, Carers and Children,

We trust that you are all managing to cope in the challenging circumstances that we are all facing at the present time. I want to write to you all to express how much we have missed seeing you all in school over the last few weeks. We have enjoyed talking to so many of you on the phone and we will continue to call regularly over the coming weeks. Please don't worry about these calls as we are simply ringing to check that you are all well and offer help where needed. Our teachers are really enjoying your emails and activities on Tapestry so please keep sending.

We continue to add activities to our online home learning packs (found on the school website at <http://halsnead.co.uk/home-learning/> and other activities that we find are advertised on the school Twitter feed – @Halsneadschool

As we want everyone to remain fit and healthy, please continue to follow the Government's guidance on going out only when it is absolutely necessary. By doing this, we are all helping to prevent the spread of this virus and will then hopefully get back to some normality as quickly as possible.

The guidance continues to state :

(Please see the next page)

Thank you for your continued patience and we will be there for you over the coming weeks. If you need to contact the school please use our mobile number [07947118660](tel:07947118660) or email school.closure@halsnead.co.uk
