*Strive to Achieve*

Friday 22<sup>nd</sup> May 2020

Dear Parent or Carer,

After much consultation this week, we have decided that we will not be opening our school for children in year reception, year 1 and year 6 until the 15<sup>th</sup> June, at the earliest. This is to ensure we are fully prepared and have systems in place to keep your child and our staff as safe as possible.

We have also made the hard decision to not open our Nursery.

We will continue to open for children of critical workers. Many of you have already been in touch about your requirements. If you haven't and need a place at school, please email [head@halsnead.co.uk](mailto:head@halsnead.co.uk). I am working during half term and will call all critical worker families to discuss your individual requirements.

I apologise for any inconvenience this may cause but hope you understand that I have our children's safety at the heart of my decision. If you do have any questions please email me or call the school.

I will provide more information on the 8<sup>th</sup> June.

Regards,
