Strive to Achieve

Friday 8th January 2021

Dear Parent or Carer

Thank you for all the feedback on home learning. It is really useful to hear how everyone is finding it. It is new to us too!

What is very apparent is that every family is different. Some find the work set is easy to complete, some find it harder and that is ok.

The government have stated we need to provide 3-4 hours of learning at home. As a parent myself I know how challenging this is, I tried it briefly during our last closure. There will be details in our newsletter later about small changes we have made to the timetable of work which will think will help.

All as I ask is that you try and you complete some of it! Please ask or work with your child/ren to complete the reading, writing and math's activities. We believe these skills are vital to our children.

Do not worry about your child/ren falling behind, I am confident when they do return to school we will make up for the lost time.

We are here to help in any way we can! We can phone you, phone your child/ren, and help develop routines or just remind you **how great you are!**

The main thing is I ask that you keep your child/ren happy and safe.

Yours sincerely

A handwritten signature in black ink, appearing to read 'H. Taylor', written in a cursive style.

H. Taylor
Headteacher
